GAF

Artists from all over India with similar mind and talent have come together under GAF 2013 banner to showcase their arts with active support of Ghanshyam Gupta a well known artist and Alumnus of Royal College of Arts, U.K. who had generated courage for artist with sprit of oneness providing an opportunity to show case group art exhibition under group GAF platform Mumbai. I am sure this group effort and art exhibitions will make a mark in the field of art in coming years. This GAF group is doing wonderful journey for the last couple of years in India and abroad with painstaking efforts at meagre contributions, I wish all the best for GAF and all artist.
